Policies

College: The infrastructure facilities such as classrooms, laboratories, library, common amenities like girls' common room etc. are utilized optimally.

General Maintenance: The office takes stock of maintenance related to furniture, fixtures, plumbing, electrical work etc. Depending upon the nature of the maintenance, the majority of them are resolved by the road and building department. If required, the experts from outside agencies are called.

Library

- Library caters to the academic and co-curricular needs of the students and staff
- Staff Members and Students can access the Library facilities and can borrow books.
- Magazines, periodicals, CD_ROM and other materials as per the rules for each category
- Computers with internet access for students and teachers available.
- Annual Stock taking of Library books is conducted

Laboratory: The respective departments execute the maintenance of their laboratories from time to time. Repair/scrap and replenishment of laboratory equipment is timely conducted.

IT Infrastructure:

- All the classrooms are connected by NaMo Wi-Fi and many of the classrooms are equipped with Multimedia digital interface tools for teaching-learning.
- The college has a computer lab which with UPS backup in case of power outages.
- Digital English Language Lab (DELL) can be used by students and also used to conduct SCOPE examination and record is maintained in the lab.
